

**Walgreens Launches First Nationwide Safe Medication Disposal Program**

DEERFIELD, Ill., Sept. 30, 2010 - Walgreens (NYSE: WAG)(NASDAQ: WAG) has launched the first ongoing, nationwide Safe Medication Disposal Program, a safe and environmentally responsible way to dispose of unused or expired medications. For \$2.99, customers can purchase a specially designed envelope available at any Walgreens pharmacy counter that allows them to place, seal and mail prescription or over-the-counter medications they no longer use for safe, eco-friendly disposal.

billion. The company operates 7,561 drugstores in all 50 states, the District of Columbia and Puerto Rico. Each day, Walgreens provides nearly 6 million customers the most convenient, multichannel access to consumer goods and services and trusted, cost-effective pharmacy, health and wellness services and advice in communities across America. Walgreens scope of pharmacy services includes retail, specialty, infusion, medical facility, long-term care and mail services, along with pharmacy
